

EXPERT

Universal device for the complete diagnosis of the A/C system
Indication of possible faults
Refrigerant quality test

WORKING
PRESSURE AND
TEMPERATURES
TEST

AUTOMATIC
LEAK TEST WITH
FORMING GAS

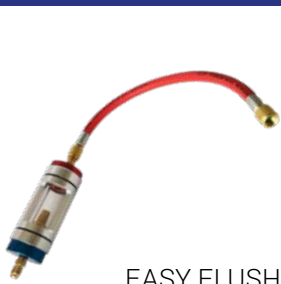

- 220V power supply
- Consumption 70W
- Dimensions 317x287x128 mm
- Weight 8kg
- 60cm high and low pressure hose set
- Temperature probes
- Quick couplings for R134a and HF01234YF refrigerant
- Technology 

STD0001

VISUAL DIAGNOSTIC TEST

EASY FLUSH
